

## OTHER HAZARDS - DISTRICT 3

### STATE PLAN

#### Goal 8: Encourage mitigation of potentially devastating but historically less frequent hazards.

Objective 8.1: Identify and reduce potential losses from landslides and avalanches.

Objective 8.2: Mitigate spills of hazardous materials from fixed and mobile sources.

Objective 8.3: Prevent acts of terrorism, violence, and civil unrest.

COUNTY	HAZARD	MITIGATION PROJECT	PRIORITY
Beaverhead	Hazardous Material Incident	Continue working with Disaster and Emergency Services.	H
Beaverhead	Hazardous Material Incident	Continue working with Local Emergency Response Committee.	H
Beaverhead	Hazardous Material Incident	Continue response planning and response training.	H
Beaverhead	Hazardous Material Incident	Purchase response equipment.	H
Beaverhead	Hazardous Material Incident	Develop fixed site security and safety using local resources and homeland security resources.	H
Beaverhead	Hazardous Material Incident	Continue identifying hazardous materials risk.	M
Beaverhead	Severe Thunderstorms, Hail, Wind, Tornadoes	Install an automated weather site (satellite communication) in the town of Wisdom to help Weather Service predict weather events.	H
Beaverhead	Terrorism and Violence	Develop more mature planning and exercising documents.	M
Beaverhead	Terrorism and Violence	Install fencing and motion sensors to activate lights at Dillon pump heads.	H
Beaverhead	Terrorism and Violence	Continue response and mitigation planning for WMD/Terrorist events.	M

## OTHER HAZARDS - DISTRICT 3

### STATE PLAN

**Goal 8: Encourage mitigation of potentially devastating but historically less frequent hazards.**

Objective 8.1: Identify and reduce potential losses from landslides and avalanches.

Objective 8.2: Mitigate spills of hazardous materials from fixed and mobile sources.

Objective 8.3: Prevent acts of terrorism, violence, and civil unrest.

COUNTY	HAZARD	MITIGATION PROJECT	PRIORITY
Beaverhead	Terrorism and Violence	Continue to train and equip emergency responders, public health workers and citizens in the area of terrorist activities using Homeland Security and Disaster and Emergency Services funds when available.	H
Broadwater	Hazardous Material Incident	Secure the propane tanks with barriers from vehicles and trains and derailment guards to the railroad tracks.	M
Broadwater	Hazardous Material Incident	Research and publish specific area information for regional HazMat teams that could assist them in mitigating impacts to the population in Broadwater County, an area not very familiar to them, during a hazardous material response.	M
Gallatin	Hazardous Material Incident	Improve mapping of hazardous materials fixed site locations and common transportation routes.	M
Gallatin	Hazardous Material Incident	Develop emergency transportation plan that considers key roadways and intersections.	M
Jefferson	Hazardous Material Incident	Develop a low frequency FM radio alert system.	N
Madison	Hazardous Material Incident	Conduct survey to determine type and amount of hazardous materials moving through Madison Co.	H
Madison	Hazardous Material Incident	Develop, produce and distribute hazardous materials educational publications.	H
Madison	Hazardous Material Incident	Train 80% of all responders to Hazmat Awareness level and 20% of all responders to Hazmat Operations level.	H

### STATE PLAN

**Goal 8: Encourage mitigation of potentially devastating but historically less frequent hazards.**

Objective 8.1: Identify and reduce potential losses from landslides and avalanches.

Objective 8.2: Mitigate spills of hazardous materials from fixed and mobile sources.

Objective 8.3: Prevent acts of terrorism, violence, and civil unrest.

COUNTY	HAZARD	MITIGATION PROJECT	PRIORITY
Madison	Hazardous Material Incident	Develop Hazmat response procedures for all emergency organizations.	H
Madison	Hazardous Material Incident	Develop and implement procedure for timely recovery in the event of a Hazmat incident.	H
Madison	Hazardous Material Incident	Develop county-wide Hazmat incident response plan and assure that all required mutual aid agreements are in place.	H
Madison	Hazardous Material Incident	Insure that procedures are in place for a quick response to and a timely clean up of a Hazmat incident.	H
Madison	Hazardous Material Incident	Develop early warning system to alert affected populations of a hazardous materials incident.	H
Madison	Terrorism and Violence	Assure functionality of Health Alert Network.	M
Madison	Terrorism and Violence	Hire full time Public Health Officer.	M
Madison	Terrorism and Violence	Implement active surveillance system.	M
Madison	Terrorism and Violence	Develop data base of providers with ability to track weekly reports and educate providers on tracking and reporting signs and symptoms of biological agents.	M
Park	Hazardous Material Incident	Study and construction of an additional railroad crossing.	M
